

ODF RACK MOUNT 60-288 FIBERS 2U-4U SWING FLAT TYPE

Applications :

- Interface and distribute the fiber optical communication system

Features :

- Steel cabinet swing rack mount with front cover
- Cabinet made from electro galvanized steel 1.2 mm thickness
- Combine splicing function, storing of fiber optical cable, patch cord and pigtail
- Store and protect excess optical cable and patch cord
- Support FC/SC/ST/LC/ E2000 and MPO adapter type with single snap plate
- Splicing and distribution 12 fiber or 24 fiber per tray
- Able to swing 90 degree for termination, splicing, inspection and maintenance
- Clip-lock front cover, nice shape, easy installment and maintenance
- Easily fixed by cage nut on 19"/21" standard rack, convenient for operation and inspection
- Light gray cabinet
- Aluminum rack mount as optional
- Accept custom design and special order

Standard :

- Manufactured by ISO 9001-2015 company
- Meet True requirements

Accessories :

- Cage nut, cable tie and cable gland
- Adapter, pigtail, splice tray and fusion sleeve as optional

Adapter Capacity :

- 2U, 3U**
 - FC/ST adapter type support 60 fibers
 - SC/E2000 adapter type support 72 fibers
 - LC (SCF) adapter type support 144 fibers
 - MPO adapter type support 40 ports
- 4U**
 - FC/ST adapter type support 120 fibers
 - SC/E2000 adapter type support 144 fibers
 - LC (SCF) adapter type support 288 fibers
 - MPO adapter type support 80 ports

Dimensions :

- 2U : 440 W x 290 D x 88 H mm
- 3U : 440 W x 290 D x 130 H mm
- 4U : 440 W x 290 D x 170 H mm

Adapter Capacity :

P/N	Dimensions (mm)			Maximum Fiber Cores	Adapter Type	ODF Type
